Part 9 - 'Pumpkin'

By Anita Gibney

When I started planning this blanket back in February, I just knew that October had to be a pumpkin! I always enjoy the changing seasons, but Autumn is my favourite. I like the light at this time of year and the way the colours of nature change as winter gets closer. And of course, in England at least, it's jumpers, hats and boots weather!

Browns, rusts and oranges are among my favourite colours, so I've had great fun picking out yarns for this square. I hope you enjoy making this one too!

I would love you to share your progress with me on Instagram or facebook @madebyanita
